On behalf of the Sacramento Sheriff's Activities League (SAL), I invite you to apply for one of the educational scholarships we are awarding to students.

SAL is a juvenile gang and crime prevention program that relies on athletic and academic activities to develop a bond between law enforcement and youth in order to bridge the gap between law enforcement and the community. Our goal is to develop productive citizens with good character.

The scholarship program is in furtherance of our goal. Although we hope those who receive these awards will pursue a degree in a field related to criminal justice, we do not limit the type of career or major an applicant may pursue for an award. Our goal is to provide qualified students from Sacramento with the financial means to obtain a post-secondary education while becoming productive and law-abiding members of society. By encouraging the pursuit of education, we believe that the individual scholarship recipients will be better able to contribute to the community in which they live.

Sincerely,

Sheriff Jim Cooper
President
